Good morning,

Thank you for meeting with me yesterday to clarify a few things for me.

Other than moving the proposed boundary near the pool so as to be 3 meters off the house and squaring off (or reducing) the reserve section in the proposed second title of our property I am more than happy with this proposal. I also welcome the offer of this proposal being subject to our property being on two separate titles and we thank you for this as well as being willing to work in with us.

Cheers
